

Workshop on RESPONSIBLE SPACE BEHAVIOR and the DEMOCRATIZATION OF SPACE

February 5, 2020

Grand Hyatt
Singapore

As the space start-up community continues to grow internationally, and the investment/finance community becomes more involved, SWF is working with partners to organize the “Space Investing & Responsible Behavior” workshop series. In a growing and diversifying community of space-interested investors, this discussion seeks to raise awareness of the importance of responsible operations practices in light of the unique challenges to the sustainability of the space domain. This workshop at GSTC will examine the context through which the investor community can work with industry to encourage and implement responsible space operations practices.
